

PERSONAL PROPERTY TAX RELIEF IN DISTRESSED COMMUNITIES (PA 328)

Public Act 328 of 1998 (PA 328) allows distressed communities, county seats and certain border county communities to abate personal property taxes on new investments made by eligible businesses.

ELIGIBILITY AND PROCESS

Eligible location sites include cities, villages and townships that contain distressed areas, as defined under the Michigan State Housing Development Authority Act, and all county seats, as defined under the Neighborhood Enterprise Zone Act. Eligible cities, villages, townships and county seats are listed on the following page.

Eligible businesses that locate in a border county and receive approval from the Michigan State Treasurer and president of the Michigan Strategic Fund may also receive this incentive. Berrien, Branch, Cass, Chippewa, Dickinson, Gogebic, Hillsdale, Iron, Lenawee, Menominee, Monroe, St. Clair, St. Joseph and Wayne are eligible border counties. The business must locate in a local governmental unit that is served by at least four of the following services: water, sewer, police, fire, trash or recycling.

Eligible projects include manufacturing, mining, research and development, wholesale trade and office operations. Retail businesses and casinos are not eligible.

Businesses may apply for the abatement through their local taxing unit if located in an eligible community. Locally approved applications are filed with the State Tax Commission (STC), which must approve or deny the local resolution within 60 days. The State Treasurer, with the written consent of the Michigan Economic Development Corporation (MEDC), is required to provide advice to the STC as to whether the exemption is necessary to reduce unemployment, promote economic growth, and increase capital investment.

New personal property is defined as property not previously subject to property taxes in any other jurisdiction in this state. This includes personal property already in Michigan, but exempt for another reason (e.g., property previously owned by a local unit of government). To determine if certain property is considered new, please contact the Department of Treasury at 517.373.0675

TERMS OF ABATEMENT

Abatements under PA 328 reduce property taxes by the full millage rate, including state and local levies. The eligible local units may, by resolution, exempt new personal property in any of the following areas: an industrial development district (**PA 198 of 1974**), a Renaissance Zone, an enterprise zone, a brownfield redevelopment zone, an empowerment zone, a tax increment financing district, a local development financing district, a Next Michigan Development Corporation District or a downtown development district.

The local community and the business negotiate the length of abatement for the new personal property tax. The law does not specify a maximum or minimum number of years.

EXTENSION UNDER PERSONAL PROPERTY TAX REFORM

Personal property exempt under PA 328 and eligible in the future for the Personal Property Tax (PPT) exemption will automatically continue to be exempt under PA 328 until that property may be claimed as exempt from the PPT in the current tax year.
