

Michigan State Historic Preservation Office

List of Consultants Meeting Federal Qualifications for Historians and/or Architectural Historians

Contact: Katie Kolokithas, Survey and Information Coordinator

Phone: 517-241-6062

Email: kolokithask1@michigan.gov

The individuals in this list have provided documentation to the state historic preservation office that they meet the minimum federal professional qualifications for historian and/or architectural historian set forth in 36 CFR Part 61. **Inclusion in this list does NOT constitute endorsement by the State Historic Preservation Office or the Michigan State Housing Development Authority, nor does it guarantee that any work product carried out by persons on the list will necessarily meet federal and state requirements.** Before engaging the services of any consultant, it is always advisable to contact references named by the consultant -- especially those people for whom a consultant has worked. Inquiring about the nature of the project and the quality and timeliness of the work performed may provide an indication of a consultant's ability to successfully complete your project.
