State of DOWNTOWN

10 Blocks

93 Parcels

22 Residential units

54 Businesses

7 Restaurants

11 Retail stores

Rogers City Main Street is making a BIG difference.

Rogers City Main Street is about bringing together a community to foster positive change and a vibrant downtown with careful consideration for historical preservation and cultural celebration. Rogers City has so much to offer and has significant potential to make an impact on many people's lives.

Downtown's Goals

- Foster a downtown that is refreshing, clean, and vibrant with year-round activities and unique businesses that appeal to residents and tourists alike.
- Support and develop opportunities for increased downtown investment in housing, diverse businesses, and infrastructure.
- Create vibrant, active community gathering spaces and a variety of year-round activities.

TRANSFORMING ROGERS CITY'S DOWNTOWN

A new partnership was formed with the local Girl Scout Troop 8671 to promote dog-friendliness in the downtown by distributing flyers and selling dog bowls, treats, and window clings.

Contractors gathered for an informational lunch session to meet building owners and learn about the many projects planned for downtown.

Hundreds attended the spring and fall art walks which brought many residents and visitors to the downtown to shop and dine at local businesses.

Connecting generations

Rogers City Main Street is making a concerted effort to bring together young and old members of the community to teach the next generation the importance of volunteerism. The student council of St. John Lutheran School seek to do just that and are planning a recycling project for Rogers City.

Michigan Main Street

provides technical assistance to local communities as they implement the Main Street Four-Point Approach®, a community-driven, comprehensive strategy

encouraging economic development through historic preservation in ways appropriate for the modern marketplace. The program aims to create communities distinguished by economically vital and vibrant commercial districts and downtowns, thereby making the state economically stronger and culturally diverse.
