

Solution Pathway 1- Evaluation of Needs

This is for a community that is just getting started and doesn't really know what they need, just go with the flow below!

Solution Pathway 2- Pre-identified Area of Need

This is for a community that knows the area they need to make progress on, but are not sure how to improve.

Solution Pathway 3- Hunting for a Specific Resource

This is for a community that is simply trying to find a specific resource, answer, or topic for inspiration
