

Michigan State Historic Preservation Office

List of Consultants Meeting Federal Qualifications for Historical Architects

The individuals on this list have provided documentation to the State Historic Preservation Office, Michigan State Housing Development Authority and have demonstrated that they meet or exceed the professional requirements for "Historic Architecture" as stated in 36 CFR Part 61. This list is provided as a convenience to the public. **Placement on this list does not constitute an endorsement of any individual, corporation, or institution by the Michigan State Preservation Office. It does not guarantee the competence of any individual or firm; nor is there any guarantee, implicit or implied, that any work product produced by those on this list will necessarily meet federal and state requirements.** We strongly recommend that you contact at least three consultants when making your selection, and request references from previous clients
