

MICHIGAN HISTORIC PRESERVATION PLAN

We Want Your Help!

The Michigan State Historic Preservation Office (SHPO) is leading development of the next **Statewide Historic Preservation Plan**, which will cover the period 2027-2034. This is **YOUR** plan, intended to help guide SHPO and preservation partners statewide in making meaningful progress toward preservation goals over the next eight years.

Public participation is key to the success of the plan, and we want your help. This is your opportunity to:

- Share your vision for the future of historic preservation in Michigan
- Help establish goals, objectives, and priority activities for the next eight years
- Identify opportunities and threats related to important heritage assets in your community
- Identify priorities for documenting, protecting, incentivizing, and telling the story of important historic places across Michigan

Contact SHPO with any information, contributions for, or questions about the plan. You can reach us at preservation@michigan.gov.

PUBLIC PARTICIPATION COMPLETED IN 2025:

- Online public surveys
- Five regional public workshops
- Virtual meetings + listening sessions

COMING IN 2026:

- Public opportunity to review the draft plan

View the most recent Statewide Historic Preservation Plan (2020-2025) and find updates on the current planning process at our website: michigan.gov/SHPO.

We will also share updates on our social media. You can find us by searching for MI SHPO.
