

MICHIGAN ARCHAEOLOGY

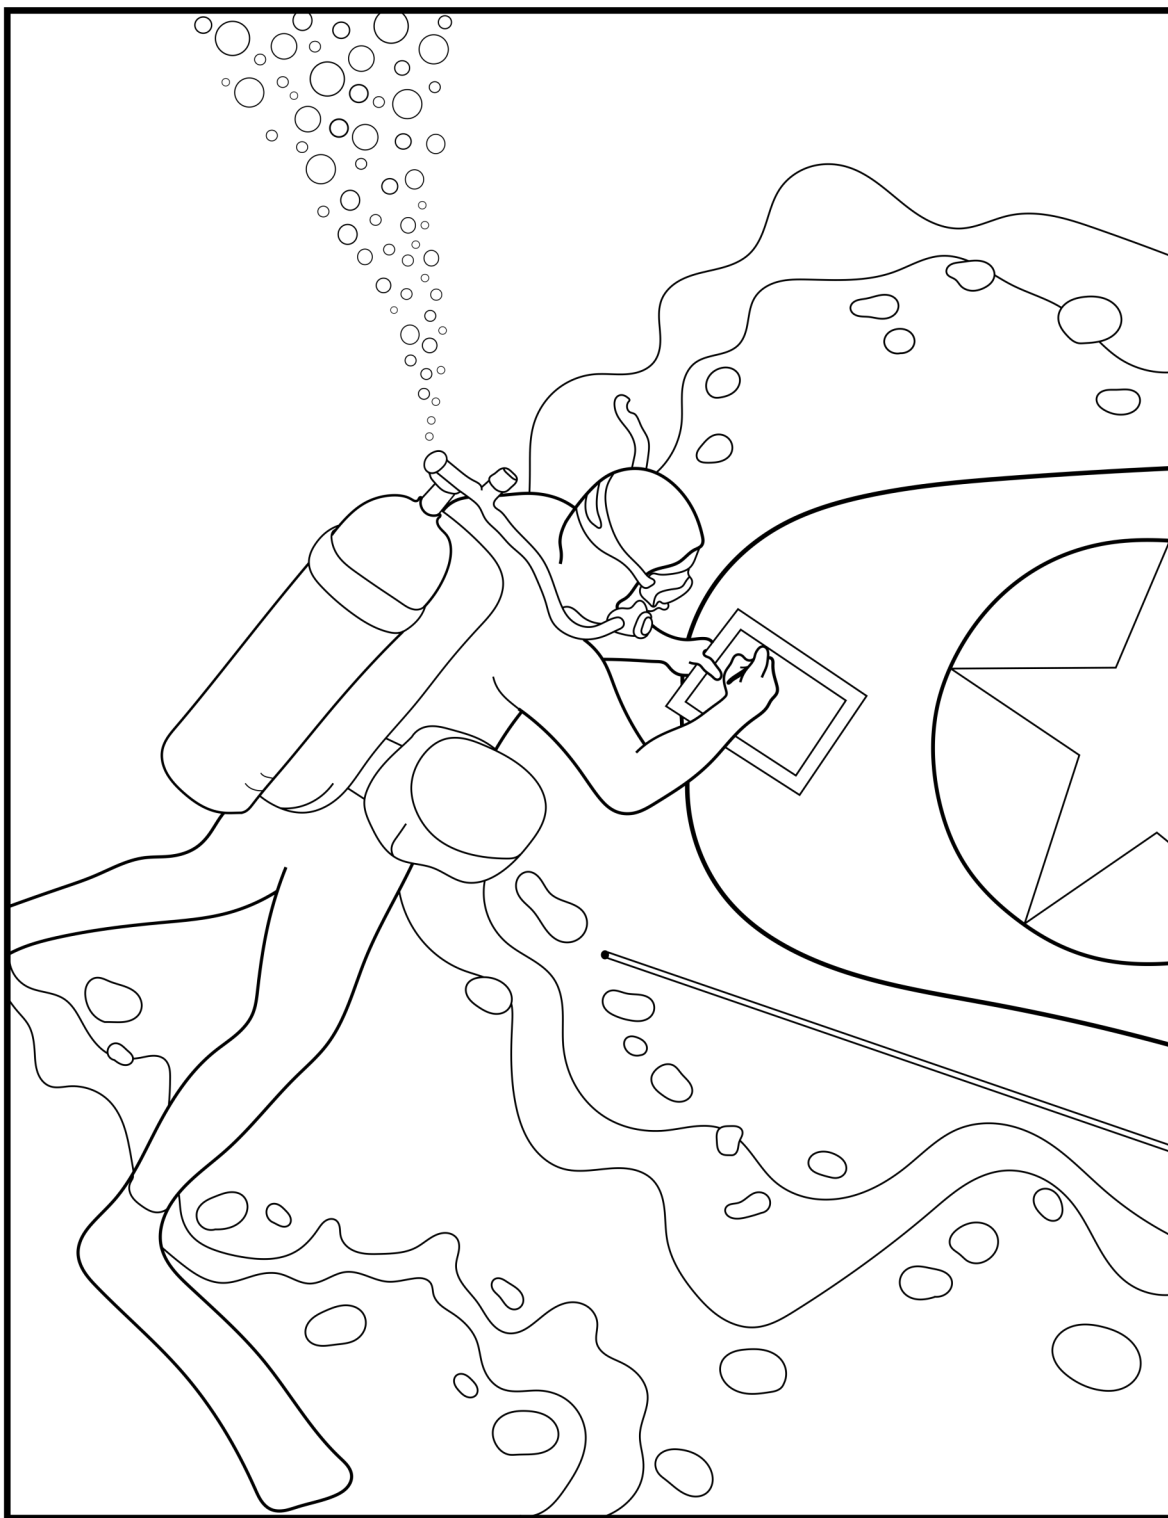

Learn about life in Detroit in the nineteenth century through urban archaeology. This archaeologist is excavating a basement of a house in the Paradise Valley neighborhood.

Michigan Archaeology Day is a joint presentation of the State Historic Preservation Office (SHPO) and the Michigan History Center/Department of Natural Resources (DNR).

MICHIGAN ARCHAEOLOGY

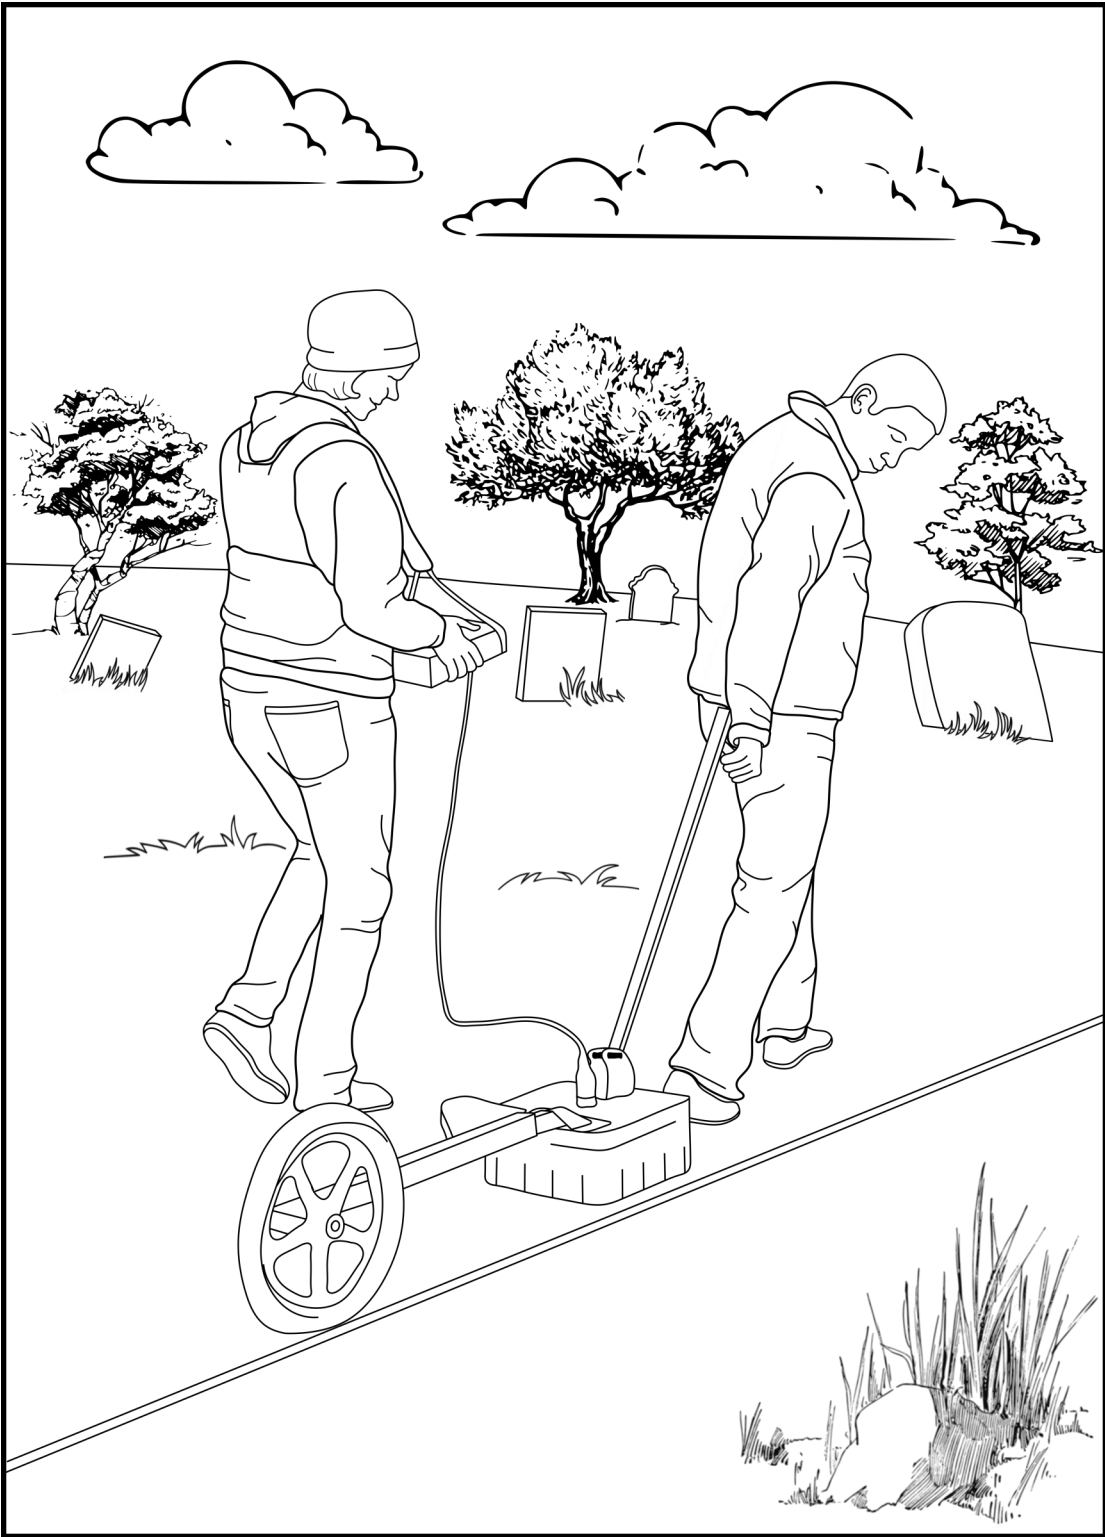

Learn about submerged sites through underwater archaeology. This archaeologist is documenting a crash site in Lake Huron of a P-39 fighter plane piloted by one of the Tuskegee Airmen.

Michigan Archaeology Day is a joint presentation of the State Historic Preservation Office (SHPO) and the Michigan History Center/Department of Natural Resources (DNR).

MICHIGAN ARCHAEOLOGY

Learn how archaeologists use geophysical prospection to identify sites and help communities. These archaeologists are using ground penetrating radar (GPR) to detect unmarked graves for a community church.

Michigan Archaeology Day is a joint presentation of the State Historic Preservation Office (SHPO) and the Michigan History Center/Department of Natural Resources (DNR).

MICHIGAN ARCHAEOLOGY

See if you can find these archaeology terms. Words may go forwards, backwards, up, down, or on a diagonal.

MICHIGAN ARCHAEOLOGY

Archaeology Day is a joint presentation by the State Historic Preservation Office (SHPO) and the Michigan History Center/DNR. We hope that you learn something new and are inspired by the many passionate people who work so hard to preserve our shared past. We would like to thank and recognize our partners who make their research and collections publicly accessible.
