Overall Progress Narrative:

As of quarter ending 3/31/2026, the MEDC has a total of $48 million of active infrastructure and planning projects. The MEDC continues to work with local units of government to enter into grant agreements, begin preconstruction work, perform environmental reviews, and have some projects beginning to break ground. The MEDC has entered into grant agreements with three local units of government this quarter. As of quarter ending 3/31/2026, the MEDC has a total of 39 projects

underway that are funded with CDBG Disaster Recovery. 20 projects are planning and the remaining 19 are infrastructure.

Narrative:

As of quarter ending 3/31/2026, the MEDC has eleven active infrastructure projects that combined total $32 million. These infrastructure projects range from the rebuilding of community facilities for safety shelters, to the construction of pump stations, and installation of sewer separations. These projects range in status; from having the environmental review being performed to construction contracts being bid out, to some even having construction contracts awarded and construction beginning.

The MEDC submitted a substantial amendment to HUD that allocated just under $15 million for additional infrastructure projects. The substantial amendment was approved by HUD on 3/4/2026.

Narrative:

As of quarter ending 3/31/2026, the MEDC has sixteen active planning projects that combined total just under $2 million. These projects aim to mitigate future disasters within the local units that were affected by the 2020 disaster. These planning projects are currently underway with various estimated dates of completion. The MEDC submitted a substantial amendment to allocate just under $7 million of unobligated planning program dollars to the 2020 Infrastructure and Public Facilities Program. The substantial amendment was approved by HUD on 3/4/2026.

Activity Description:

This project proposal outlines the scope of work for a Midland County Resilient Housing Needs Assessment, secured through the Community Development Block Grant Disaster Recovery Planning and Resiliency program. This comprehensive assessment will include a data driven approach to improve affordable/attainable housing hazard resilience and mitigation through frameworks that will address critical issues related to creating a Housing and Risk Mitigation Strategy. The assessment will include a hazard risk assessment of vulnerability indicators, and an understanding of Midland County s ability to prepare homes-of all types and locations - to withstand and recover from natural disasters the mitigation strategies that will be designed to reduce the sensitivity to hazards.
