Narratives

Disaster Damage:

The counties of Oakland, Macomb, and Monroe, Eaton and Ingham experienced flooding and tornado damage.

Recovery Needs:

Investment in infrastructure improvements on both public and private property. Connecting homeowners to newly construction or repaired sewer, wastewater, and water systems through infrastructure activities connected to public infrastructure. These upgrades are essential to prevent future flooding and enhance overall resilience.

Overall Progress Narrative:

The MEDC closed the infrastructure program's funding round application window on May 4, 2026. The MEDC has identified the grantees selected from the applicants of the funding round and are working to get those local units of government into grant agreements. Planning program applications continue to be accepted on a "first come, first service," basis. During the quarter ending September 30, 2026, the MEDC entered into one planning grant.
