

# RRC Best Practice Training Series 2019

## WHO SHOULD ATTEND

Staff, officials (elected or appointed) and local stakeholders from currently engaged or certified RRC communities, or those considering engaging in RRC.

**WHAT:** Detailed information, examples and implementation steps for achieving a solid planning, zoning and development foundation. An opportunity to network with communities pursuing the same goals of efficiency, transparency and predictability.

**WHY:** For already engaged communities, these trainings offer an opportunity to refresh on RRC best practices or introduce the best practices to new staff and officials. For non-engaged communities, training is required prior to formal engagement.

**COST:** Trainings are being offer at no cost; however, if you sign up and cannot make it to training, please email the RRC team at [RRC@michigan.org](mailto:RRC@michigan.org) to avoid a \$50 cancellation free. A light breakfast and lunch will be included.
