Q&A

2026 PARKS & RESILIENT COMMUNITIES FUNDING ROUND

The following are questions received as of 11/12/2026:

1. **Our community is a subrecipient of Wayne County's CDBG funding via an urban cooperative agreement. Are we eligible to apply for funds?**
   A: Your community is ineligible to apply for funds unless you can provide documentation that you have opted out of your direct HUD allocation and can meet the federally required community Census LMI percentage of 51% or more.

2. **Our community is not listed on the provided HUD LMI list. Does our community need to be listed to be eligible to apply for funding?**
   A: Yes, all eligible communities need to be listed on the HUD LMI list to be eligible to apply for PARC funding.

The following are questions received as of 11/5/2026:

3. **Our community is interested in renovating a theater as an indoor public gathering space. Are indoor public gathering spaces eligible to receive funding as part of the PARC round?**
   A: No, this funding round will support parks and outdoor gathering spaces. Examples of possible projects include: The installation of new playground facilities; Installation of new workout equipment; Installation of play water features; Installation of pavilions and gathering spaces; Installation or expansion of restrooms; Installation of shade structures; and Construction of ADA accessible walkways
