315 South River Street, Eart  
COMPLETED 2019

## Project overview

City of Eart completed two placemaking projects that encourage families to spend time in Eart and add tourism appeal. The projects include a splash playground in Riverside City Park and a concert pavilion over an existing deck where weekly concerts are held throughout the summer. City of Eart received \$272,919 in CDBG funding and provided \$153,700 in local match.

**MEDC investment:** \$272,900

**Local investment:** \$153,700
