

BEFORE

White Horse Inn Redevelopment

Village of Metamora

FISCAL YEAR COMPLETED 2014

Project overview

Located in the historic district of downtown Metamora, the project restored and expanded the historic White Horse Inn into a full service restaurant. A historic portion of the original White Horse Inn, approximately 3,000 square feet, has been restored. Approximately 7,000 square feet has been demolished to make way for a newly constructed addition. That will make the new and renovated White Horse Inn a total of approximately 11,000 square feet. The total investment for this project is \$1.8 million and the developer expects to create the equivalent of 38 new, full-time jobs.

MEDC investment: \$570,000 Community Development Block Grant

Private investment: \$965,250

Local investment: \$300,000

Jobs created: 38
