

BEFORE

Downtown Façades

259 East Grand River Avenue, Laingsburg
268/276 East Grand River Avenue, Laingsburg
COMPLETED 2017

Project overview

City of Laingsburg, in partnership with local property owners, performed transformational façade improvements to three buildings in the traditional downtown. The three downtown buildings, located at 259 and 268/276 East Grand River Avenue, improved the façades in order to restore the character and historical appearance while attracting new customers and visitors to the downtown area. CDBG funds were used for storefront restoration, historical feature preservation, new windows and doors, masonry repair, painting, etc. In addition, two loft apartments were created at 268/276 East Grand River Avenue.

MEDC investment: \$196,995 in Community Development Block Grant

Private investment: \$196,995
